

TENDER
Water Treatment Plant Fire Alarm System
2059 Second Line West, Sault Ste. Marie, Ontario

Sealed tenders will be received by the consultant on or before **3:00 p.m. local time on August 14, 2025**. Tenders shall be submitted to:

MET Energy Systems
Attention: Matthew Rajala
477 Queen St. East, Suite 304
Sault Ste. Marie, ON, P6A 1Z5

Tenders shall be submitted to supply and install of a new fire alarm system in accordance with relevant codes, standards and tender documents (drawing package, bid specifications and terms).

There will be a mandatory site visit on Thursday, July 31, 2025 at 9:00 am - meet at front entrance of 2059 Second Line West SSM, ON. Minimum PPE requirements for site visit include hardhat, high visibility vest or clothing, safety glasses and safety footwear.

Digital copies of the tender documents may be obtained commencing **Monday July 21, 2025** from the Sault Ste. Marie Construction Association.

A security deposit in the form of a Bid Bond in the amount of \$20,000 will be submitted with each tender. The successful bidder will be required to provide a 50% Performance Bond and a 50% Labour and Material Payment Bond upon execution of the contract.

Tenders are subject to a formal contract being prepared and executed. PUC Services Inc. reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.
