Sault Ste. Marie System Available Load Capacity Map

Scale: 1:115,000

Feeder Capacity

- 0-499 kVA
- 500-999 kVA
- 1000-1999 kVA
- >2000 kVA

Station Capacity

- 0-999 kVA
- 1000-2000 kVA
- >2000 kVA

COPYRIGHT: All rights are reserved. No part of the supplied information, data and materials may be reproduced or transmitted to others in any form or by any means, without the prior written permission of PUC Distribution Inc.

DISCLAIMER:

This hosting capacity map is provided for informational purposes only. It is not intended to be, and should not be relied upon as, a basis for determining the permissible capacity of distributed energy resources (DERs) that may be interconnected to the distribution system. Separate and specific analysis is required to determine DER capacity on the distribution system.

Further, the information, data and materials are provided on an "as is" basis and while PUC Distribution Inc. provides this information in good faith, PUC Distribution Inc. does not warrant, covenant or guarantee, in an expressed or implied form, arising by law or otherwise, the completeness, effectiveness, accuracy and/or fitness or the information for any particular use. PUC Distribution Inc. does not assume responsibility nor accept any liability arising from any use of the information. This information is proprietary and may not be reproduced without consent from PUC Distribution Inc.

LIMITATION OF LIABILITY: PUC Distribution Inc. shall not be held liable for any errors, omissions or inaccuracies in the information, data and materials nor for any losses, injuries or damages arising from its use. The use of the Data is at the user's own risk. PUC Distribution Inc. shall in no way be held liable in respect of any claim, demands and/or action, irrespective of the nature of the claim, demand and/or action alleging any loss, injury or damages, direct or indirect, incidental, special, consequential, punitive damage or any damages whatsoever which may result from the use of PUC Distribution Inc. information. PUC Distribution Inc. shall not be liable in any way for loss of profits or contracts, or any other consequential direct or indirect loss of any kind resulting from the use of PUC Distribution Inc. information.

The user of this information shall indemnify and save harmless PUC Distribution Inc. from and against any claims, demand, action, costs (including without limitations, legal fees, disbursements and administrative costs), losses, injuries, expenses, damages, fines, orders, and/or recoveries suffered by , made, brought and/or recovered against PUC Distribution Inc. , irrespective of the nature of the cause of the claims, demands, actions, alleged losses, costs, expenses, damages and/or injuries (including injuries resulting in death), including without limitations claims, demands, actions, costs, expenses, damages and/or injuries arising out of the PUC Distribution Inc. negligence, gross negligence, errors and omissions and/or willful misconduct, as pertaining to the provision and/or use of PUC Distribution Inc. information.

NO WARRANTY: The information, data and materials are provided without any warranty of any kind, whether express or implied. Users of the information, data and materials are advised to verify the information independently and are encouraged to seek advice before making decisions based on the Data. The Data should not be used as the sole basis for any decision, and it is important to consider the context and limitations of the Data provided.
