

TENDER ANNOUNCEMENT – RFQ № 25 09 001 HEAT PUMPS

Electronic tenders, plainly marked as to contents, will be received by the Procurement Manager until:

3:00PM EST on Friday, September 26th, 2025

for the works described below:

PUC is requesting quotes for the procurement and installation of four (4) heat pumps, one (1) heat pump in 2025 and three (3) additional heat pumps in early 2026. The proponent shall supply and install heat pumps at Substations 10, 13, 15, and 21. The heat pumps shall comply with all applicable codes, standards, and regulations as required in Ontario. The successful vendor shall be responsible for supplying appropriately sized heat pump units for each substation, installing the units in accordance with all applicable codes and standards, integrate the units with existing electrical infrastructure, commission and test the systems to ensure full functionality, and provide training and documentation for operations and maintenance staff.

Complete tender documents can be obtained by contacting the Procurement Dept. at purchasing.dept@ssmpuc.com.

There will be no public opening of this tender, however all bidders will be notified of their results.

Tenders are subject to a formal contract being prepared and executed. PUC Services Inc. reserves the right to reject any or all tenders and the lowest or any tender will not necessarily be accepted.
